Crusaders Centenary Book of Memories – Celebrating the 100

In 2006, Crusaders celebrated their 100th year of reaching young people with the gospel of Jesus Christ. As part of those celebrations, the suggestion was made that a book of memories should be compiled, pulling together memories of Crusaders young and old. Now, 5 years on, editing of those memories is continuing and further contributions are being sought.

Have you been involved in the organisation at some stage in your life? Would you be willing to share your memories of your time within Crusaders and maybe the impact that Crusaders has had on your life? Were you an ADW or Timothy within Crusaders? Do you have great memories of holidays (at Studland, Westbrook or other venues around the UK)? Did you experience a life changing time on CRUSOE? Are your memories around the fellowship with other young people or the riotous fun through games, days out or regional and national competitions? Was it the key Bible teaching that impacted you or simply the friendships that were made through Crusaders? Whatever it is, I would be delighted to share your experiences within the context of the book.

Contributions should be 500 words (maximum) with a photo (if possible) and sent either via email to ali.tompkins@googlemail.com or by post to Mrs Ali Tompkins, Crusaders – Celebrating the 100, 28 Lynton Road, Hadleigh, Benfleet Essex SS7 2QQ. Copy deadline is Thursday 28th July 2011 with publication before Christmas 2011.

If you would like any further information about the project, please contact me and I look forward to hearing from you.

Mrs Ali Tompkins
Trustee for Urban Saints
