

Hodder Faith Announcement

Jean Whitnall: Sales and Trade Marketing Director

After 13 very successful years with the Hodder Faith team Jean Whitnall has decided to leave Hodder in order to pursue a portfolio of new interests. We are extremely sorry to lose her as she has been a key member of the Faith team during a transformative time for the business. Jean has worked successfully over the years to build strong relationships on behalf of Hodder Faith within the Christian trade, proving herself to be both a positive and popular ambassador for the company.

She has been instrumental in securing the position of the NIV Bible as the most popular Bible in the trade, and in fuelling the groundswell of enthusiasm that has led The Shack to sell over 500,000 copies in our markets alone. Jean will leave us after CBC in May where we will have a fulsome farewell.

We will be recruiting for a replacement very soon, but in the meantime, please do contact me with any queries.
