### **Official Taming the Tiger Statement from Authentic Media**

Last year, Authentic Media was made aware of the allegations against Tony Anthony, and was presented with new information that challenged his story, as told in *Taming the Tiger*.

In discussion with Avanti, Tony Anthony's ministry, Authentic Media insisted that an external and independent review be held. In response, Avanti invited the Evangelical Alliance to hold an inquiry into Tony's story. This inquiry has now been completed, and has concluded that sections of the book are not true.

Tony, however strongly defends his story - though he acknowledges that the recent information that he has received about his early life requires him to update and clarify his story.

As a consequence, Authentic Media is withdrawing from sale, with immediate effect, the following titles:-

- Taming the Tiger
- Cry of the Tiger
- Taming the Tiger DVD

Our prayer in this difficult situation has been for truth, clarity and grace. Many people have come to faith through Tony's testimony and the ministry of Avanti, and we pray their relationship with God will continue grow and deepen. We also pray for Tony, his family and Avanti Ministries.
